**Raffaella D'Angelo.** *I began my journey in Theatre at the Comuna Baires of Milan, following my teachers Renzo Casali and Rosy di Costanzo. Then I explored mime, body language and stage composition. In 2008 I founded the group "Artemysia" with the Argentinian actress Julia Reali. So far, I have been working as a performer, in Italy and abroad, mainly in Independent Festivals and Networks such as the "Fringe International" and the "Magdalena Project".*

*As a trainer, I conduct theatre workshops and sessions, as well for schools and companies.*

*With the show "Tragedia\_pop (in tre micro-atti)" we won the Urban Theatre Award from the "Finestre di Teatro Urbano" Festival, in Bologna. Ed. 2010.*

*Since I moved to Luxembourg, four years ago, I have been presenting my monologue "Judith", the performance "the Shakespeare sister's" and sharing my research with the artists network from the "Grand Region". For the coming season 2022/23 I look forward sharing my experience in teaching for a unique journey into Theatre.*
