**Raffaella D'Angelo.** *I began my journey in Theatre at the Comuna Baires of Milan, following my teachers Renzo Casali and Rosy di Costanzo. Then I explored mime, body language and stage composition. In 2008 I founded the Theatre company "Artemysia" with the Argentinian actress Julia Reali.*

*So far, I have been working as a performer, in Italy and abroad, mainly in International Festivals and Networks such as the "Edinburgh Fringe", the Dresden "Canaletto" and the "Magdalena Project".*

*As a trainer, I conduct theatre workshops and sessions, as well for schools and companies.*

*With the show "Tragedia\_pop (in tre micro-atti)" we won the Urban Theatre Award from the "Finestre di Teatro Urbano" Festival, in Bologna (Italy).*

*Since I moved to Luxembourg, five years ago, I have been presenting my monologue "Judith", the performance "the Shakespeare sister's", among others, and sharing my research with the artists network from the "Grand Region".*

*For the coming year 2024 I look forward to sharing my experience in teaching for a unique journey into Theatre.*
